

Kilkenny Lane Country Park Conservation Group

Volunteers needed!

We are looking for volunteers of all ages and abilities to join our new habitat management volunteer group at Kilkenny Lane Country Park, located in Carterton.

What: As a volunteer, you will be undertaking tasks such as coppicing, litter picking, tree guard removal and surveying.

When: Sessions will take place on the last Wednesday of every month from 10am to 1pm.

Where: Meet at the country park's car park on Elmhurst Way, Shilton Park, Carterton, OX18 1EY

Why: Kilkenny Lane Country Park has a mosaic of habitats that are home to several rare and declining species of flora and fauna – the group aims to enhance the site for both people and wildlife.

How: Training will be provided at the start of each session – just bring suitable outdoor clothing and some water or a flask of tea and coffee and we'll provide the rest!

If you would like to join the group, or have any questions about what it involves, please email Climate.Action@westoxon.gov.uk
